NOTE: We strongly advise prospective new clients to book their Microblading appointments at least 3-4 months in advance of Vacations, Weddings, and Special Occasions. This allows adequate time for healing of both your Initial Microblading Appointment as well as a Touch-Up Enhancement Session 8-12 Weeks prior. To have perfect brows it is a multi step process. Dream brows cannot be achieved in just one session. Some clients need more than two sessions to achieve their desired density and shape.
